That we, the members of the County Council, wish to express our deep sorrow on account of the death of Oliver Austin, Esq., an ex-Warden of the County of Norfolk, and for many years a valued member of the County Council. We desire to bear testimony to our appreciation of the many sterling qualities possessed by the deceased gentleman, both as a citizen and Councillor, and to mark our sense of the great loss the public has sustained by the death of one who gave much of his time and talent to the public service. We also extend our sympathy to the bereaved wife and relatives in their great sorrow.

No. 2—On motion of Mr. Cunningham, seconded by Mr. Alton,

That the report of the Committee on Roads and Bridges be received and adopted, and the Warden be, and he is hereby authorized to issue his cheque in payment of the expenditure in connection with the same.

The report received and adopted reads as follows :

To the Warden and Members of the County Council.

Gentlemen.

Your Committee on Roads and Bridges met at Port Dover on the 18th inst.. to consult with the Council of that Village, with a view to making an arrangement for the construction of a new bridge to replace the Port Dover Swing Bridge, which was built some twenty-five years ago. Together with the Village Council we made an inspection of the old bridge and decided that it is necessary to rebuild this summer. After some discussion a proposition was made by your Committee that a new bridge be built, of which the cost of construction and maintenance shall be borne by the County of Norfolk and the Village of Port Dover in the following proportions, viz. :—three-fourths by the County of Norfolk, and one-fourth by the Village of Port Dover.

To properly carry out such agreement we recommend that the new bridge be constructed upon plans to be agreed upon by this Committee and the Council of Port Dover, and the letting of contracts or in other ways proceeding with the work of construction shall be under the joint control of the said Committee and Council respectively.

This proposed agreement is made under and in accordance with the provisions of Section 5 of By-Law No. 235 of the Corporation of Norfolk, and shall not take effect until a resolution in similar terms is adopted by the Council of the Village of Port Dover, and a certified copy thereof filed with the County Clerk.

All of which is respectfully submitted.
